N3QA	Cal Coursey	133	x	18	=	2,394	
N3VGS	Tim Keener	218	x	7	=	1,526	
AA3WD	Howard Feldmesser	90	x	9	=	810	
N3KHK	John R Klim II	70	x	7	=	490	
K3LN	Ellen Engle	92	x	3	=	276	YL
W3NHR	Jack Willock	58	x	2	=	116	
KB3EPP	Bryan Wiles	67	x	1	=	67	

Great weekend! Lots of fun. I had hoped to pass out Maryland counties to more county hunters but have learned a few things that will help me do a better job of that next year. This was the shakedown cruise for our mobile setup, and we learned a lot about that too. Thanks to all who participated and worked to put on the QSO Party.- Bob, K4MUT

International Category

W7LPF	Joseph W. Lutz	359	x	21	=	7,439	Pennsylvania	* First

KA2ZVZ	Bruce Schaeffer	156	x	2	=	312		
N3MZB	Gene Sigler	52	x	3	=	156	Also Mobile	

Notes and Comments

Entries this year were up slightly as were band conditions. This year we had some really close races in some categories. A multiplier or two was the difference in the MDC Single Operator finish. In the International Category all 4 top stations were reasonably close to each other. Two or three qsos separated 2nd, 3rd, and 4th. Close indeed.

In addition to the 7 clubs who sent in logs, W3MAD, K3PZN, KB3BPZ and WA3NUL clubs made at least some qso party contacts too. Mark your calendar for August 10 and 11 next year. – Page, WA3EOP, MDC QSO Party Chairman.

Looking forward to doing this again next year! – Bebe, KB3FRX
It was a Fun Contest – Dick, AI3M It was a fun, first contest for me. If there were a few more hams in the contest it would have been a bit better. It is a well thought out QSO Party- Steven, KB9YQB Thank you for another enjoyable contest. Band condx were better this year. I was able to improve but I wish there were more stations to work- Bill, K3TNM Good Party – Polite operators-Good Time!- Jim, N9JZ Only Baltimore City was not heard, 3 others were missed due to Murphy visiting my xcvr. See you in 2002- Joe, W7LPF It was fun to get back in the contest after a year off, even though the conditions were not very good- David, KE3VV
